

TEAM DORSET constitutional objectives (as at April 2020)

The objectives of Team Dorset shall be: -

- a) For the member clubs to work as one on agreed projects for the benefit of the clubs and their members, the whole athletic community within the County of Dorset and the sport of athletics generally.
- b) To provide quality competition opportunities for those member clubs choosing to participate in competitions as a composite team
- c) To provide the opportunities for athletes, coaches, officials, volunteers, supporters and administrators to progress their ambitions within the sport.
- d) To provide opportunities for Dorset people with disabilities to participate fully in the sport of athletics including by training and competing.
- e) To develop the sport of athletics within the region covered by the member clubs.
- f) To help increase participation in athletics in Dorset including in deprived or rural areas of Dorset.
- g) To provide support to member clubs to improve facilities including their accessibility
- h) To support the Dorset County Athletic Association and other organisations, as decided by the Management Committee, in providing development and competition opportunities in Dorset.
- i) To produce and review annual plans that detail the proposed work of the network in terms of athlete development, coach development, volunteering and sustainability & development.
